10. Date(s) October 1, 1993 to present	11. Dollar amount(s) (if known) Estimated in the Billions

12. Description of alleged activities (briefly describe the facts of the alleged violation – Who/What/Where/When/How you learned about and obtained the information in this report. Attach another sheet if needed)

- Using tax-exempt dollars to accumulate and control vast real estate holdings, grossly underutilized/vacant. Extensive real estate holdings & controversies including: properties facilitating human trafficking (forced labor under coercive conditions by both adults and minors as well as intense control over its members, psychological manipulation, and aggressive tactics against critics and defectors.
 - Using tax-exempt dollars to pay attorneys to hire private investigators for the purposes of engaging in systematic acts of spying, harassment, and intimidation directed against former members of the Church, critics, journalists, and filmmakers who expose Church abuses.
 - Using tax-exempt dollars to publicize the contents of private confessional data of former Scientologists in an attempt to smear, impugn, and humiliate former Church members who speak out against the abuse of the Church.
 - The Church of Scientology's Office of Special Affairs pays tax exempt dollars to hire writers, videographers, and social media specialists to create false, defamatory, malicious, and deceptive propaganda in the form of hate websites and publications. Also, paying for Google ad campaigns to promote the malicious hate propaganda.
 - Spends countless millions of dollars on lawyers to defend David Miscavige and the Church from the legal consequences arising from their own illegality, e.g. using LAPD to swat livestreamers.
 - Contrary to IRS Code, the Church of Scientology and its related entities do not make their 990 information widely available to the public.
 - Deceptive and misleading fundraising activities not for charitable causes, rather for the activities outlined above.
